EXPERIENCE

10/2025 - Present

Bengaluru, India

Senior Interior Designer

Gruhanza Interiors

- Oversaw all phases—including schematic design, construction documentation, coordination with structural/mechanical teams, and final delivery.
- Closed client deals through persuasive visual presentations, handling documentation and proposals that yielded a conversion rate increase of nearly 25%.

09/2023 - 10/2025

Bengaluru, India

Senior Interior Designer

Dashank Designs

- Successfully managed 25+ complete residential and commercial design projects from concept through execution, delivering on time and within budget.
- Conducted site visits to assess on-ground conditions, provided accurate pricing estimations, and generated detailed BOQs to support transparent project billing.

07/2022 - 09/2023

Bengaluru, India

Interior Designer

Square Yards

- Designed full-scale interior and furniture plans—both 2D floor plans and photorealistic 3D models—accelerating client approvals by approximately 20%.
- Curated moodboards and theme-based design concepts, streamlining client decision-making and reducing revision cycles by up to 30%.
- Conducted site visits to assess on-ground conditions, provided accurate pricing estimations, and generated detailed BOQs to support transparent project billing.

04/2021 - 05/2022

Bengaluru, India

Interior Designer

Suhaus Designers

- Developed moodboards and thematic design directions, enabling cross-functional alignment and improving project concept acceptance by clients.
- Advised on material selection—finishes, fixtures, upholstery—and recommended cost-effective yet high-quality sourcing options tailored to client needs.

03/2020 - 02/2021

Ranchi, India

Associate Interior Designer

The Decor , Ranchi

- Designed residential and light commercial interiors (2D layout + 3D visualization), delivering solutions that enhanced space utilization and aesthetic appeal.
- Streamlined execution by coordinating with vendors, supervising installations, and maintaining O & M documentation for seamless handovers.

08/2019 - 02/2020

Ranchi, India

Intern Interior Designer

The Decor - Ranchi

- Assisted senior designers in creating residential interior layouts, supporting designs in both 2D and 3D formats.
- Contributed to client presentations by preparing visual renderings and moodboards, which aided in clearer client communication and early-stage feedback gathering.

EDUCATION

- **Bachelor of Arts (B.A) - Animation with Interior Designing**
St. Xavier's College, Ranchi, India
